

Project Development Phase Delivery of Sprint - 2

Date	30 October 2022
Team ID	PNT2022TMID45878
Project Name	AI-based discourse for Banking Industry

Creating Saving Account Action

Create a saving account in IBM Watson. Create new **Action** Saving.

Add steps in savings action.

Savings Manage

Customer starts with:

Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has.

The more phrases you enter, the better your assistant can recognize what the customer wants.

Enter phrases your customer might use to start this action. Total: 2

Enter a phrase

Savings account: ✕

Savings ✕

Conversation steps:

Which type of savings account do you want to create?

1. Regular savin... Kids savin... + 2

Continue to next step

2. Great! Please take the following documents and head towards the nearest branch! (...)

Get in action: End

3. Kids saving Account
